### Hope For Children – Latvia

HFC Receive over 40 families a week at the centre, most of whom have an enormous struggle to survive- trying to manage on a pittance. Bolderaya (in Riga the capital) Skrunda (in a county town) and Karosta (in the port of Liepaya) gave regular help to 178 children at risk last year. All this costs a great deal of money and it is quite a challenge for the staff to give these children the attention they thirst for. Please pray for all the dedicated staff and for the children they are helping.

**Susie & Martin Goodchild** are still in their season of recuperation, but planning to return to Africa for a few weeks in the autumn for a seminar in Kenya and a conference in South Africa. They are very grateful for your prayers for God's hand upon their continuing recovery, and His guidance as they develop new training materials for African pastors.

**Morning Prayer** This will continue through August, please feel free to join us at 9:15am
