For your information

Children's Work @ Christ Church

Please pray for the all age team as they prepare and lead the service this Sunday (18th). Rachel is busy preparing for the last few school assemblies before Easter and some special Easter events, so please pray for the Lord to direct all her plans and that she will have all the help she needs. Sunbeams is making more contacts with children and families every week it seems. Please pray for safety as things can be very busy. Pray for the programme that in the simples stories and children's songs the adults can be challenged as well. As always more volunteers are needed.

The last **Coffee in the Living Room** before Easter will be on Tuesday 28th March (with the Farewell to Margaret and Phil), and restarts on Tuesday 18th April.

Sunbeams: We also break up after Tuesday 27th March, and meet again on 17th April.

**Church Services: When there is no 9am Communion, there will be Holy Communion in the new 'Church @ Ten' service.*

For your prayers...

Please be Praying for: Coffee in the Living Room as the team and the regular groups of people say Goodbye to Margaret and Phil on 28th March. Please pray for God's blessing on Margaret and Phil with thanks for all that they've done in the last 10 or so years, and for their future path. Please remember the team as they miss two special friends and face different challenges and for the folk who come along on Tuesdays that they would know God's love in special ways.

Martin & Susie Goodchild, Kenya: Although there was some rain in parts of Kenya when we were here in November, it wasn't enough to make a difference to the famine in the arid areas in the north and east. Martin plans to go to the closest of these areas just before we leave to give out a small amount of food, but this will only be a drop in the ocean of need. ***Please keep praying for them, and continue as they return.***

Sarah Wilkins, Morning Star: The School recently received 240 little books from a charity and are excited to be able to give two books to each child and engage with parents in this initiative too. Two of the students are currently very unwell so prayers for them in particular are appreciated. Pastor Revival reported 24 youth at his bible study who are really engaged, so that's encouraging. Pray for the ongoing disruption caused by frequent water and electricity cuts. Pray for the parents' workshop and meetings.
