## For your information

### Children's Work @ Christ Church

Please pray for the future of the children and families work as Rachael leaves us for pastures new. Pray for Sunbeams. Give thanks for the number of good contacts with local families. Please pray for the leaders as they plan the weekly programme that they will be guided in weekly themes and appropriate activities. There is also a big need for more helpers. Please pray that new volunteers will come forward and pray whether it might be you!

**Prayer before services** – we would like to restart these...we need to be praying for our Sunday services and so this is a general invitation to do that...open to anyone!!...so, if there is a 9am service there will be prayer in the little prayer room from 8.30am and if there is a 10am service there will be prayer in there from 9.30am! This will start from next Sunday! Please do join in and pray!

**Plastic Bottle Tops!** In the foyer there is a bin, ready for all of your plastic bottle tops – any kind. Oakmeadow School will receive tokens towards recycled equipment for their school, so bring those tops, along with those from your neighbours too!!

## For your prayers...

**Please** think of someone who you haven't seen lately, or missed speaking to, and be praying for them. A number of us have been missing for various reasons, some have had Covid or bad colds, some unwell or feeling low.

### **Sarah Wilkins, Morning Star – South Africa**

Here at Morning Star Children's Centre, South Africa we are going into winter. Thankfully all the children are healthy at the moment. We've given out lots of knitted hats, jumpers and fleeces, all kind donations.

Parents and carers of our pre-school children attended a workshop today about helping their children learn. It was very well attended and received.

We have 3 sick mothers at the moment and one staff member has the mumps.

The loadshedding means 4-6 hours of no electricity every day and often no water either. South Africa continues to descend into more and more corruption.

In spite of the challenges we are truly blessed and much to thank God for each day. Thank you to all who pray for us.
