## For your prayers...

*PLEASE pray for* your neighbours, that they may have dreams, visions and encounters with Jesus. Pray for the different teams that enable Christ Church to function, that they may be refreshed and numbers added too.

### **Rachel Karrach, Tansen Hospital, Nepal**

The hospital has been promised money for a CT scanner. Please pray that the money will reach them quickly and that they will get the best deal from a good reliable supplier.

Rachel is again applying for the renewal of her visa. The application has to be letters which go through 5 government departments each of which can cause delays and also interviews at the Labour department. Please pray that the application will go smoothly and quickly.

### **Hope for Children, Riga, Latvia**

They have a holiday home on the coast which they use for holidays for children and families who are in desperate financial situations and in need of respite from daily life. Please pray that they will have the money to complete any repairs after the winter storms.

There are so many needy families that they need wisdom in deciding who to help. Please pray they will have enough money to do the work well and they will use it wisely.
